

# COURSES – Learn Spoken English Through Cricket

The course follows a systematic progress route with with 4 levels - Basic Learning Practice, Beginner, Intermediate and Advanced. Each level contains 10 units. It has been designed by British Council who is your best starting point for learning English. With over 70 years of English language teaching experience, we can help you achieve your goals!

## ✓ Content is "king"

Our motto is simple "content is king" and we are here to provide you with the best learning experience on the planet. Our course content is completely unique and easy to follow. We have combined years of research to bring to you the easiest way to learn English - through the medium of Cricket.

## ✓ Interactive learning

English strokes focuses on making your learning experience interactive. We make your learning as interactive as possible by providing you with what it takes to learn and master English. It doesn't matter whether you are just beginning to learn English or you have already tried other English courses, when you start learning on English strokes you will learn what it takes to become a master in spoken English.

## ✓ Unique activities and exercises

When you learn on englishstrokes.com, it's not just learning; we also allow you to "play" so that you can master all aspects of the English language, especially the finer nuances. We provide hours of special activities and games that will help you get an all-round education, allowing you to evolve like complete cricketers who have been put through their paces.

## ✓ Learn with Kris Srikanth

When you enrol on one of our courses, you automatically get the chance to learn with Kris Srikanth - former Indian cricket captain and chairman of selectors of the world cup winning team. Kris will take you on a remarkable journey that will not only give you the skills to learn English, but also be a great experience which will leave you wanting more.

## ✓ Learn at your own pace

We, unlike our competitors, do not enforce any particular time frame within which you have to complete our courses. We are here to make sure you learn English the right way. And what better way to do that than making you comfortable with our courses. You can take your time to master English. And once you've done that, go out there and beat the competition in your field.

## ✓ Learn from the best

The British Council is the world's largest and most reputable English training institution. They have over 80 years experience in English language training, so what better way to learn than having the best of the both world's - cricket and English!
